KLËARVUE® CABINETRY BUYING GUIDE

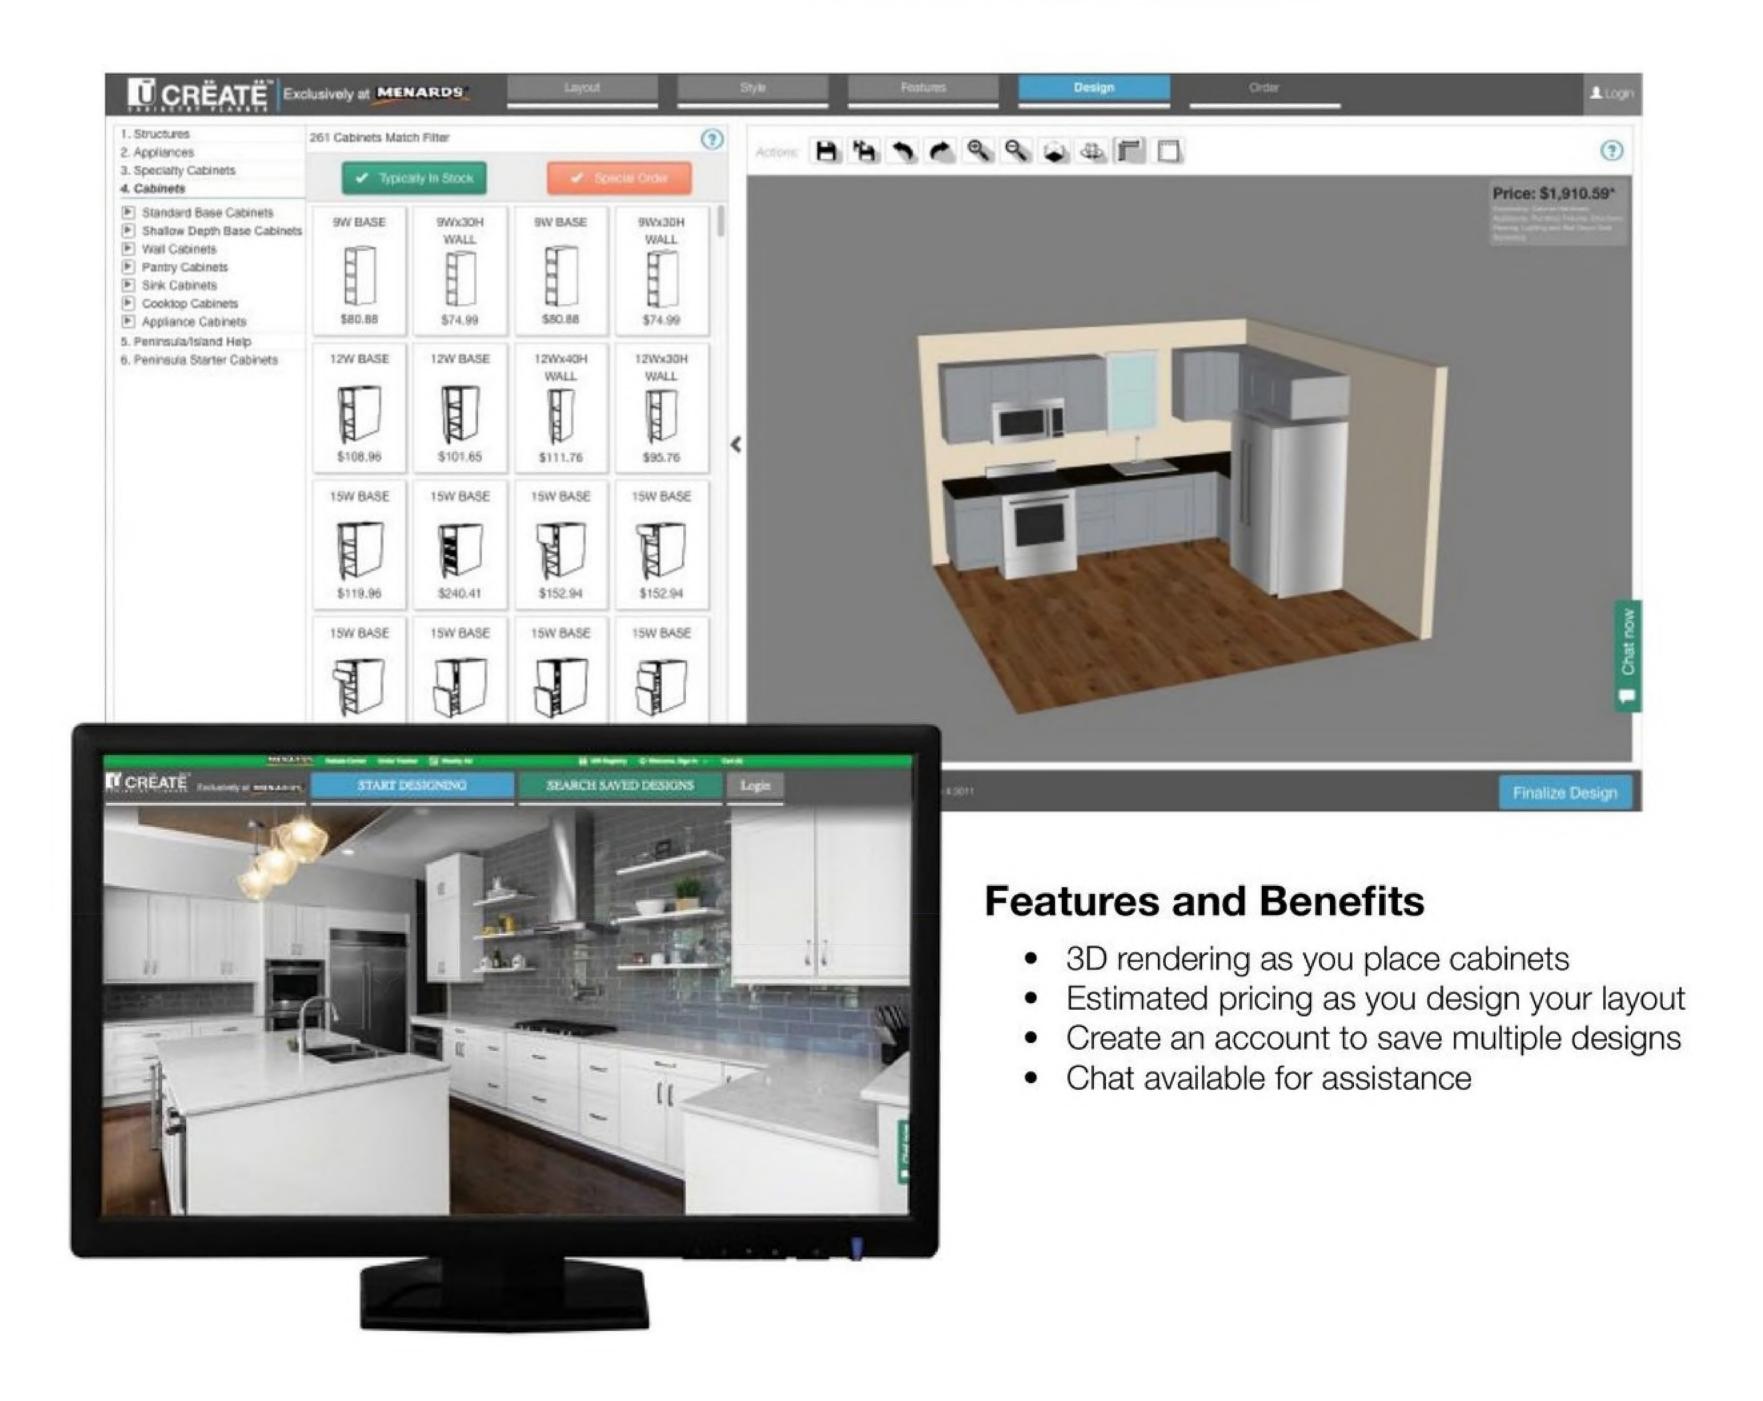

Design your Dream Cabinetry at Home Today!

Design your cabinetry layout today - from the comfort of your own home! Enter in your room dimensions and begin to place cabinet configurations - it's that easy! All the configurations that are listed in this book can be found in the Ū Crëatë® program, pre-configured to place into your room space. You can purchase your cabinet order directly online or by visiting your local memors retail store.

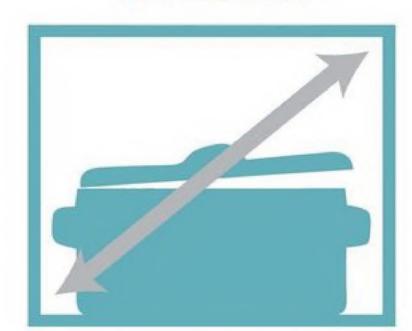

Cabinets that give you more. More style. More storage. More function.

Klëarvūe Cabinetry® was created around full access cabinet construction. Klëarvūe®, pronounced Clear View, means just that! Full access cabinet construction eliminates the bulky face frame one would typically see around an old fashioned cabinet box. By eliminating this frame, it allows you to store more in your cabinets such as larger dishes, platters and more groceries! Everytime you open your cabinets, you will be presented with a *clear view* of everything inside!

Full Access

Old-Fashioned

Quality with a Warranty

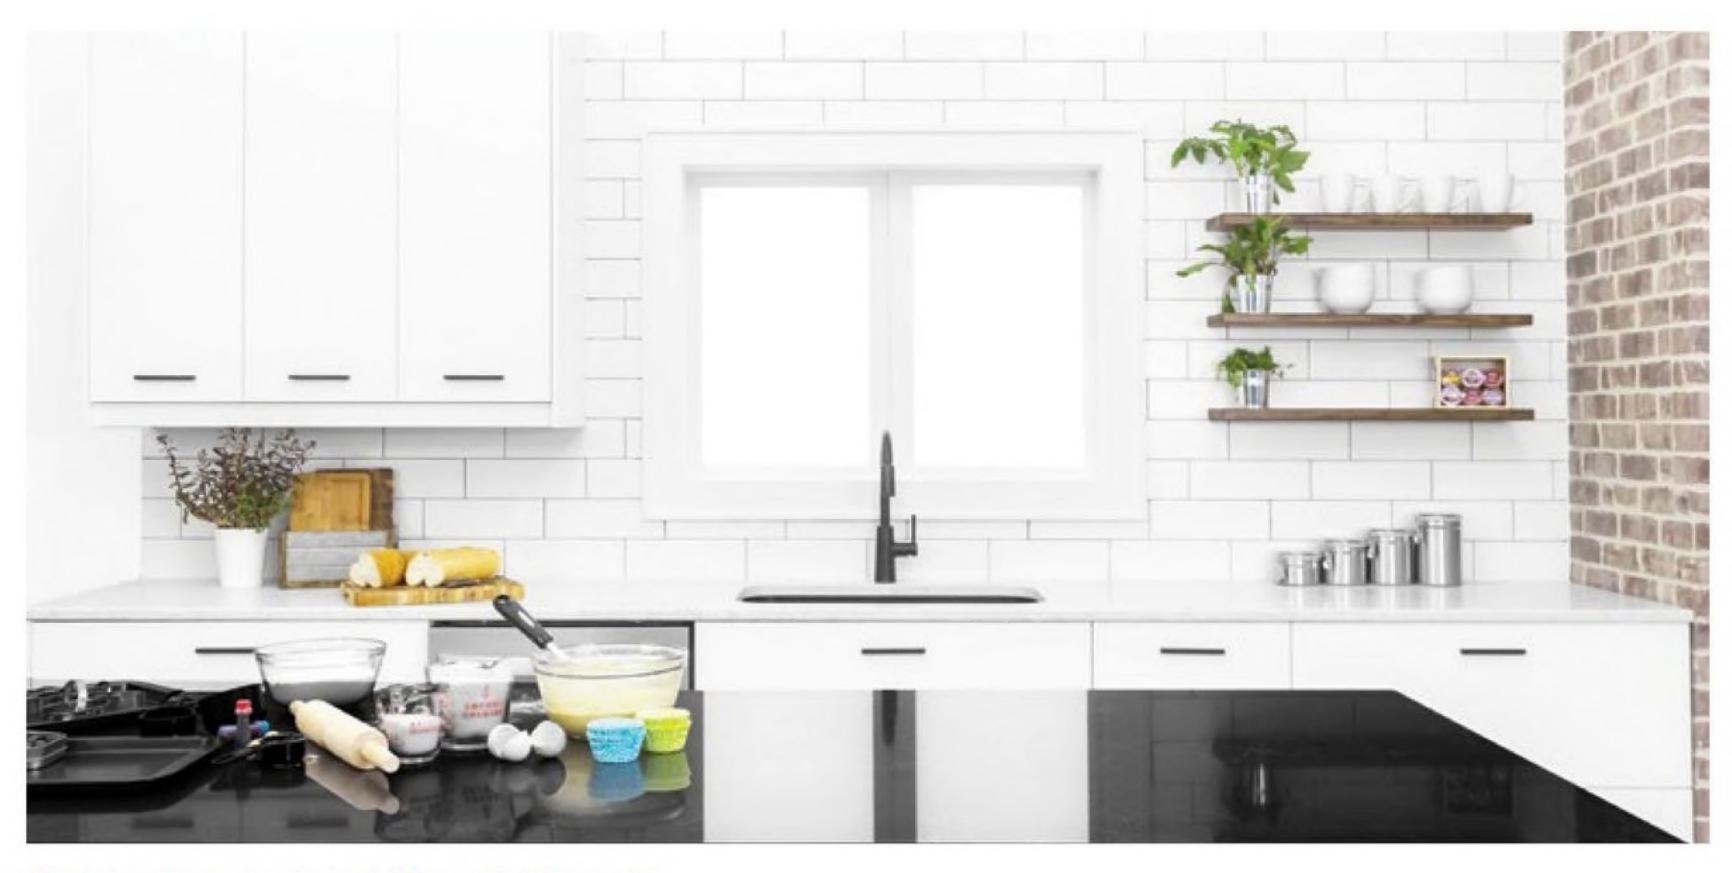

Klëarvūe Cabinetry® features a hassle free limited lifetime warranty program. If during normal use, a component of your cabinet breaks or fails due to a defect in material or workmanship, simply bring back that item to your nearest carrages retail store to have any defective part replaced with the same or similar Klëarvūe Cabinetry® product when returned by the original purchaser.

Visit www.klearvuecabinetry.com for full warranty details.

Cabinetry Around Your Lifestyle

Klëarvūe Cabinetry® offers over 40 different cabinet box sizes that are available in multiple heights and widths. When combined with door and drawer fronts, you can create over 250 different cabinet configurations. Think of Klëarvūe® as adult building blocks, meaning pieces are combined together to create one cabinet configuration. Klëarvūe® offers 13 cabinet front finishes that are sure to fit any design that you are working on. Guess what? If down the road you wish you would have added more drawers for your kitchen, no worries! With Klëarvūe's component based system, you can change a door configuration to a drawer configuration with just a Phillips head screwdriver!

The Klëarvue Cabinetry® Installation Process

Old-fashioned cabinetry requires you to remove doors and drawers in order to install properly. With Klëarvūe®, you install your cabinet boxes first, then add your doors and drawers. See separate installation guides for important instructions to follow.

1) Install Boxes

Factory-assembled wall and base cabinet boxes are easy to install! Simply remove from the box and secure to wall studs with cabinet screws.

2) Install Hardware

Start to build your configurations by adding drawer slides and hinge brackets into your cabinet boxes. Install with a Phillips head screw driver into the pre-drilled holes.

3) Install Fronts

Bring life to your cabinet boxes by adding finished fronts to your drawer kits and hinges.

4) Install Finishing Touches

Complete the look of your cabinet by adding cover panels, moulding and toe kick.

*Countertops and hardware not included.
